## DEVELOPMENT AND PEACE

### The power of mobilized citizens

One of Development and Peace's strengths is our ability to mobilize thousands of Canadians like you to amplify marginalized voices from the Global South. Our partners want businesses to not be able to perpetrate abuses in their countries with impunity.

That is why our People and Planet First campaign is asking you to help ensure that Canada adopts strong due diligence laws to prevent Canadian corporations from abusing human and environmental rights across their global operations.

Sign our petition for this at [devp.org/act](http://devp.org/act) and spread the word. Thank you for supporting our campaign!
