**MARRIAGE TIP OF THE MONTH**

- Marriage Tip 130

“United We Stand” is the title of a 1970’s song by the Brotherhood of Man. The song may be old, but the lyrics contain words that every married couple would do well to look at and memorize. The song is really a reminder that couples should always support each other, have each other’s backs and stand by each other in times of trial. We often forget to keep this context at the heart of our marriages and can antagonize each other instead of support; move apart rather than together. So, remember the words from the song and repeat them to each other often: “For united we stand, divided we fall, And if our backs should ever be against the wall, We’ll be together, together, you and I.” From: Family Ministry Office, 905-528-7988 ext. 2250.

even more. She gives immense amounts of her time and her sweat, her tears, and her attention to her child.

Our mothers are priceless gifts from God. Without our mothers, our stories could have dramatically different endings. So many times, we take for granted that Mom is the REAL everyday superhero.

**Let us offer our special prayers for them.**

May they receive God’s grace and know His love. May our Blessed Mother intercede for all mothers, and may her example give them strength. She endured profound suffering during the Passion of Our Lord and stood at the foot of the cross. She witnessed the death of her only son and then laid Him to rest. Yet, she didn’t crumble but went on. May her faith and perseverance in unthinkable circumstances give them meaning and inspiration to go on.

Today, as each of us honours our mother, we thank God for her. And we thank her for her love for us.

**This weekend, we celebrate Mother’s Day.**

It is a day dedicated to honouring our mothers for their care, concern, and unconditional love for us throughout the years of our lives.

If your mother is still living, be nice to her. If she is no longer with you, pray for her.

There is just something about a MOTHER that makes her extraordinary.

She can love us beyond our mistakes and failures and can fix a broken heart. She gives her blood during a pregnancy. She gives her milk after her child is born. She gives her sleep for the first two years, and
