YOUTH MINISTRY

Dear parishioners,

In His Apostolic Exhortation, *Christus Vivit*: Christ is Alive! Pope Francis reminds us that "The community has an important role in the accompaniment of young people; it should feel collectively responsible for accepting, motivating, encouraging and challenging them. All should regard young people with understanding, appreciation and affection, and avoid constantly judging them or demanding of them a perfection beyond their years" (*Christus Vivit* para. #243).

As a community, we identified many priorities for our One Heart One Soul campaign goals. One of these goals was the accompaniment of the young people of the St. Ann's Parish community.

I would like to invite the members of our parish community to join us for an important conversation about the accompaniment of the young people of our parish. With the support of the Office of Youth Ministry for the Diocese of Hamilton there will be two different facilitated conversations held on **June 11th at 12:00pm**. One for young people in grades 6-12 and one for parents and community members. We hope that young people will join us to share how our parish can be best supporting and accompanying you in your faith journeys. We would like this accompaniment model to be driven by young people and their desires and needs.

Refreshments will be provided

Fr. Peter
