## ST. ANN, PRAY FOR US

From the desk of:

**DAVID DAYLER**

*I will give thanks to you, O LORD, with all my heart. – Psalm 138*

As summer begins, we should all take a few moments to reflect upon the meaning of this special God-given season and thank Him for it.

Summer often acts like a Sabbath for the year. God created the world in six days, and rested on the seventh. Likewise, students and people in the work force work diligently through the year, and summertime provides a period of rest and refreshment after long hours of labour. Although work continues through the summer, many use this season to take a much-needed vacation with family and friends ... a time to re-charge our batteries, if you like.

School is out for students, but they continue to learn every day. As parents, who are the primary educators of their children, what lessons have you planned for your children this summer? Perhaps the lesson of sharing and loving our neighbours through swimming pool parties? Perhaps the influence of the media on our culture through gathering a group to go to a good movie, and discussing its message and effects on their perceptions? Perhaps taking care of the less fortunate through involvement in a local charity or soup kitchen?

And what about those of us who are not children? Are we not called to continue to form ourselves in some way over the summer? We can find many ways to continue to grow in this less stressful and restful time of year. We can grow in our appreciation of God's beauty through visiting art exhibits, parks and reserves, or boating on one of the many area lakes and rivers. We can grow in our love of neighbour through volunteering to help the less fortunate, the shut-in and/or the suffering. We can grow in our faith by taking the time to enjoy reading a good spiritual book as we lounge in the yard or at the beach.

June 23, 2024

Father, creator of all, thank you for summer.  
Thank you for the warmth of the sun and hours of  
light.

Thank you for the beauty I see all around me.

Thank you for the opportunity to be outside  
to enjoy the world you have made.

Teach me how to pray, no matter where I am or what I  
am doing.

Warm my soul with the awareness of your presence  
and light my path in your words and counsel.

As I enjoy the miracle of your creation, create in me a  
pure heart.

Amen.

*Do not let your heart grow old with the  
passing of time. Love with a love which  
daily grows ever more intense, ever  
more new, ever more pure – that is,  
with the love which God pours into your  
heart.*
